HIPAA PRIVACY POLICY NOTICE

I understand that, under the Health Insurance Portability & Accountability Act of 1996 (HIPAA), I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to:

Disclose health information in order to conduct, plan and direct my treatment and follow-up among the multiple healthcare providers who may be involved in that treatment both directly and indirectly.

Disclose your health information in order to receive payment for the services we provide to you.

Disclose your health information for normal healthcare operations such as quality assessments and physician certifications.

PATIENT RIGHTS REGARDING MEDICAL INFORMATION

The Right to Inspect and Copy Your Information: You may review and copy your medical records and information.

The Right to Amend: You may ask that we amend your health information if you believe that your information is incomplete or incorrect.

The Right to Request Restrictions: You may request a restriction or limitation on how and what health information we disclose regarding you for treatment, payment of health operations or to your family or care-givers.

The Right to Confidential Communications: You may request that we communicate with you about medical matters in a certain format or a specific location.

The Right to Receive a Copy of this Notice: You may request and receive a copy of this notice (or our current notice) at any time by contacting this organization.
