

Welcoming YOU to the APTC Family

### WHATS NEW?

Atlantic PT Center is offering RunLab™ Sponsered In-Office Gait and Movement analysis at our Freehold Location.

### WHAT IS IT?

Running on a State-of-The-Art
Treadmill, both shoes on and off, at
your pace to find your specific areas
of dysfunction. Identifying and
correcting them will keep you
running on the field, trails, and
roads longer and healthier.

# Run Lab

## WHAT'S NEXT?

Your images and videos will be sent to RunLab™ and will be analyzed by movement experts who review them with you via videoconferencing.
